Dear Mr. Thornton:

The Virginia Department of Environmental Quality (DEQ) has reviewed the Local TMDL Action Plan received on November 30, 2015 and submitted in accordance with Section I.B of the General VPDES Permit for Discharges of Stormwater from Small Municipal Separate Storm Sewer Systems (MS4). Based on this review, DEQ has determined that the items included in this Plan are consistent with the permit requirements; however, additional information is required.

The following Local TMDL Action Plan is provisionally approved and is an enforceable part of the MS4 Program Plan:

This provisional approval is conditioned upon DEQ's receipt and review of requested revisions to the Local TMDL Action Plan as communicated in the enclosed letter. Please submit the required revisions by March 4, 2016. After review DEQ will provide the final approval of the Local TMDL Action Plan.

Please contact Joseph Bryan at (804) 527-5012 or joseph.bryan@deq.virginia.gov if you have any questions.

Sincerely,

Emilee C. Adamson
